

## VALENTINE'S DAY

DO: Reial knows St. Valentine's is approaching.

We would like you to celebrate with us, this special day, by taking **a couple relaxing massage in your own room.**

It will be all along the week from 12th to 18th February.

When your massage will be over, the both of you will be presented with a glass of catalan cava and some nice amenities.

We hope all together will make from this experience something unique and intimate.
